The Vision

"We develop stylish products for off-world use while connecting Earth brands to space."

Promote space through corporate sponsorship

Why a Cocktail Glass?

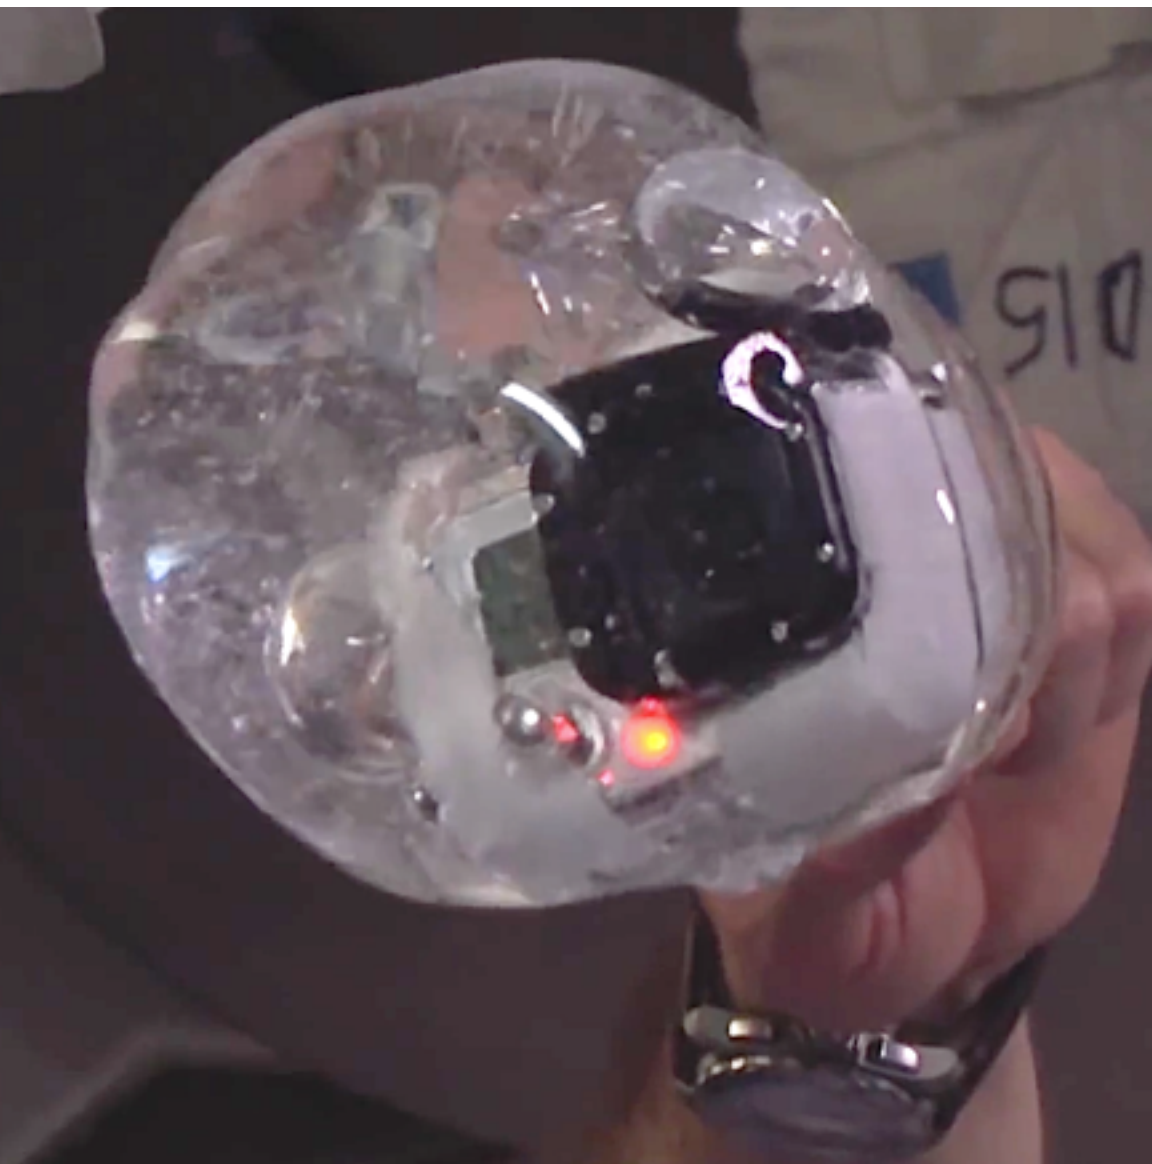

Fluid Dynamics

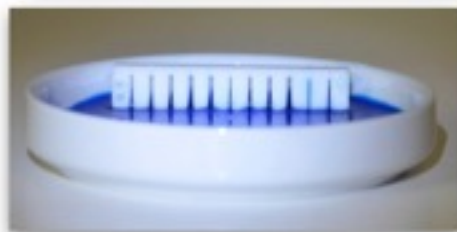

Inspiration

Manage Fluid Flow

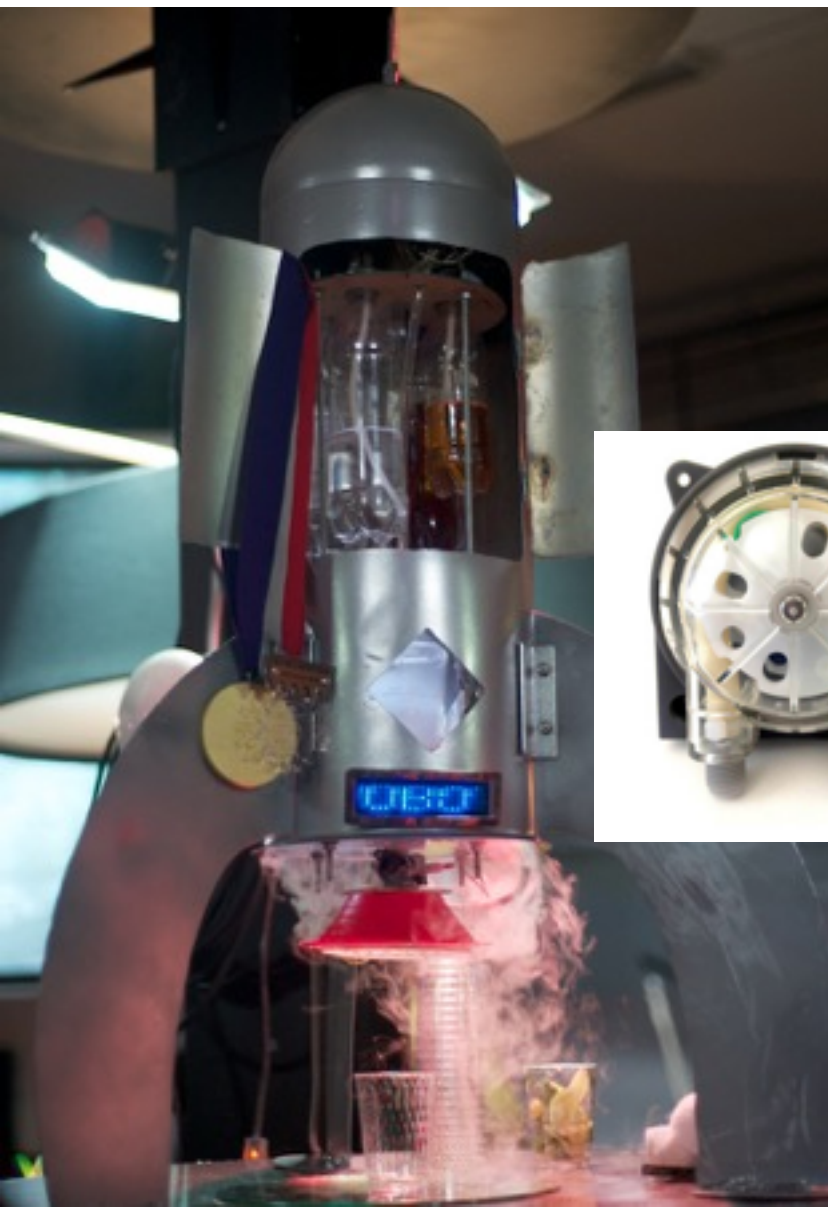

Evolution

The Drinkbot

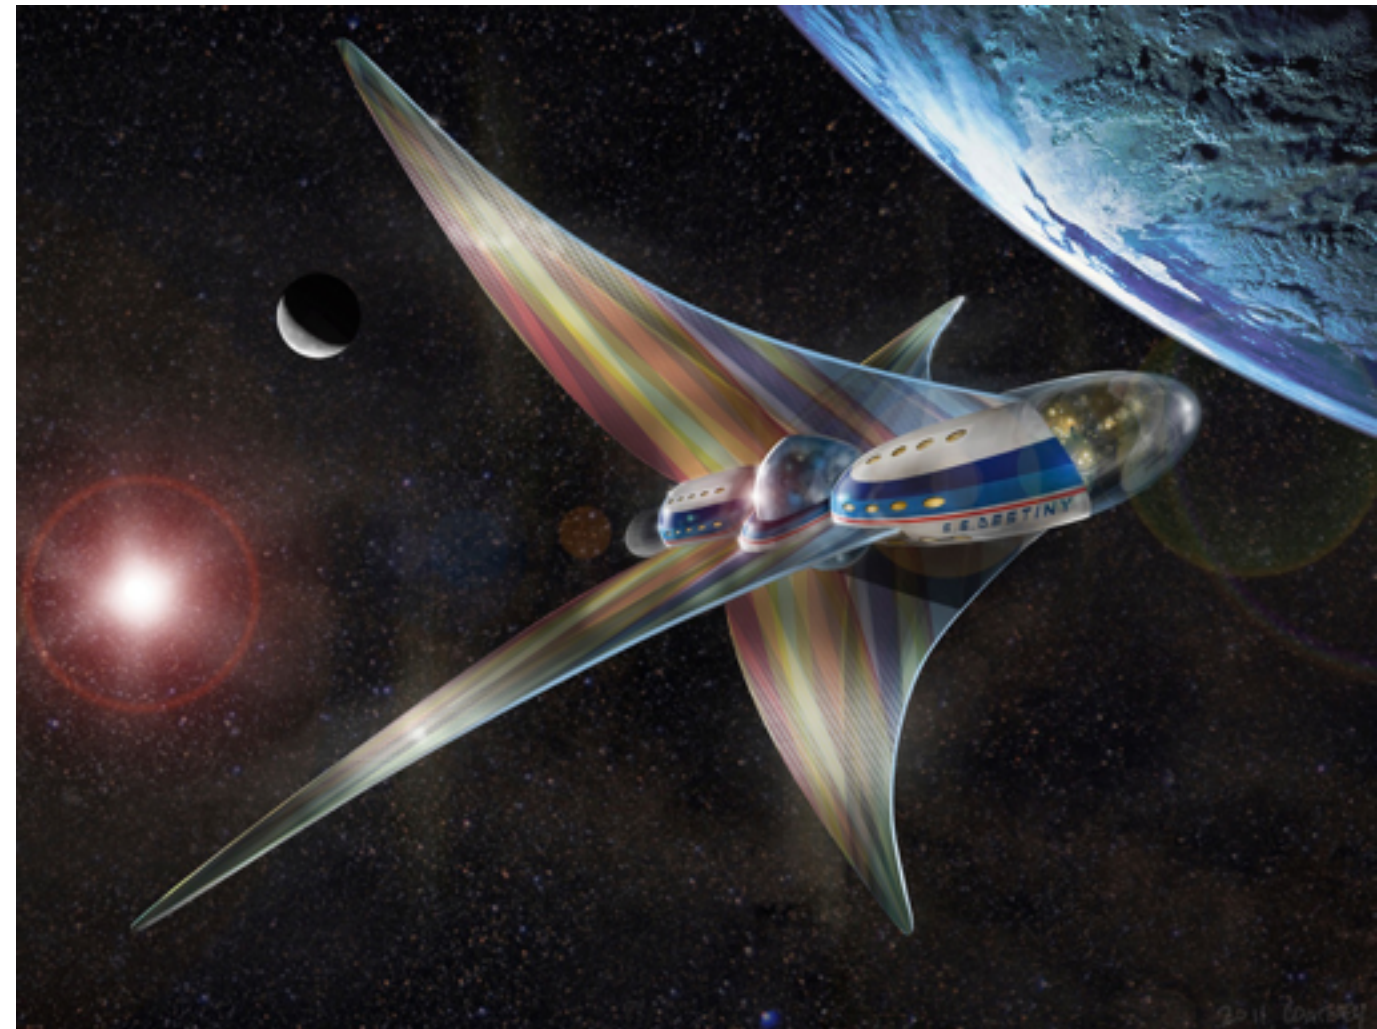

Lessons learned from the COSMOBOT drinkbot project.

Inspiration

Beyond present limits

Design comfort for the future

Beyond Survival

Make settlements on other worlds worth settling.

Target Lifestyle Improvements

drinking

cooking

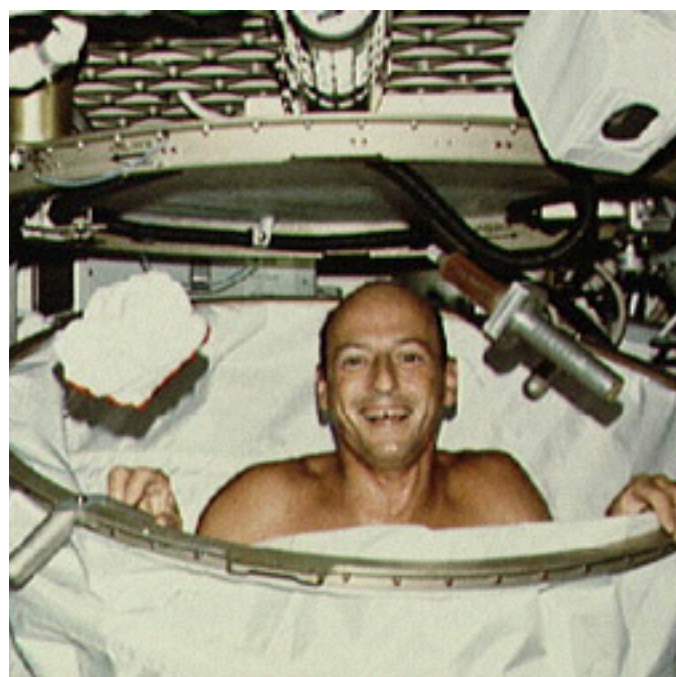

laundry

sleeping

washing hair

bathing

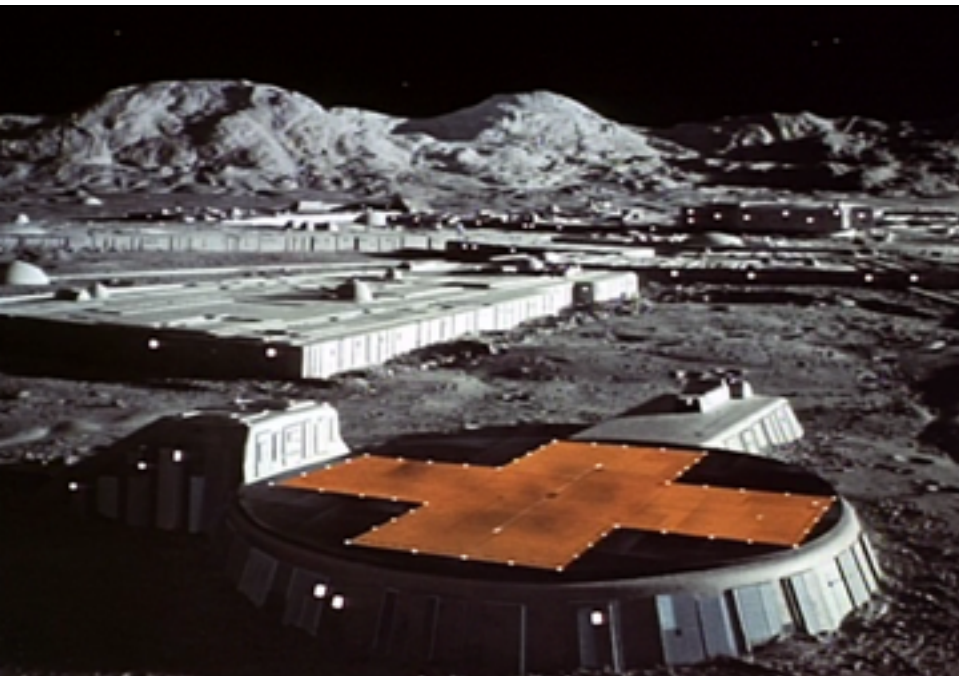

haircuts

toilet

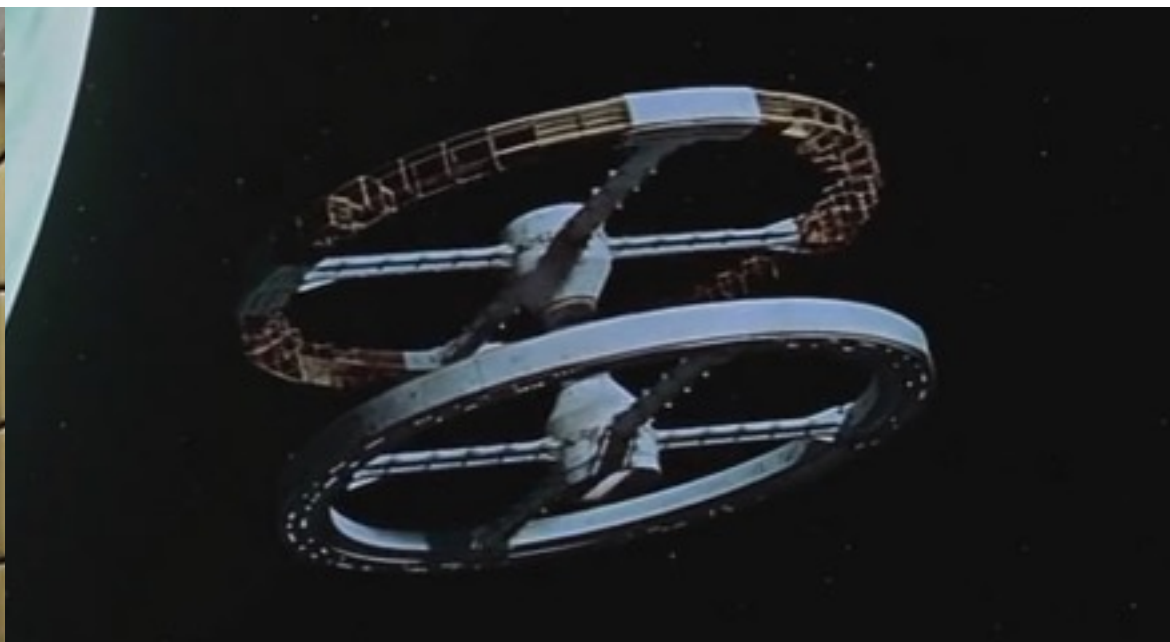

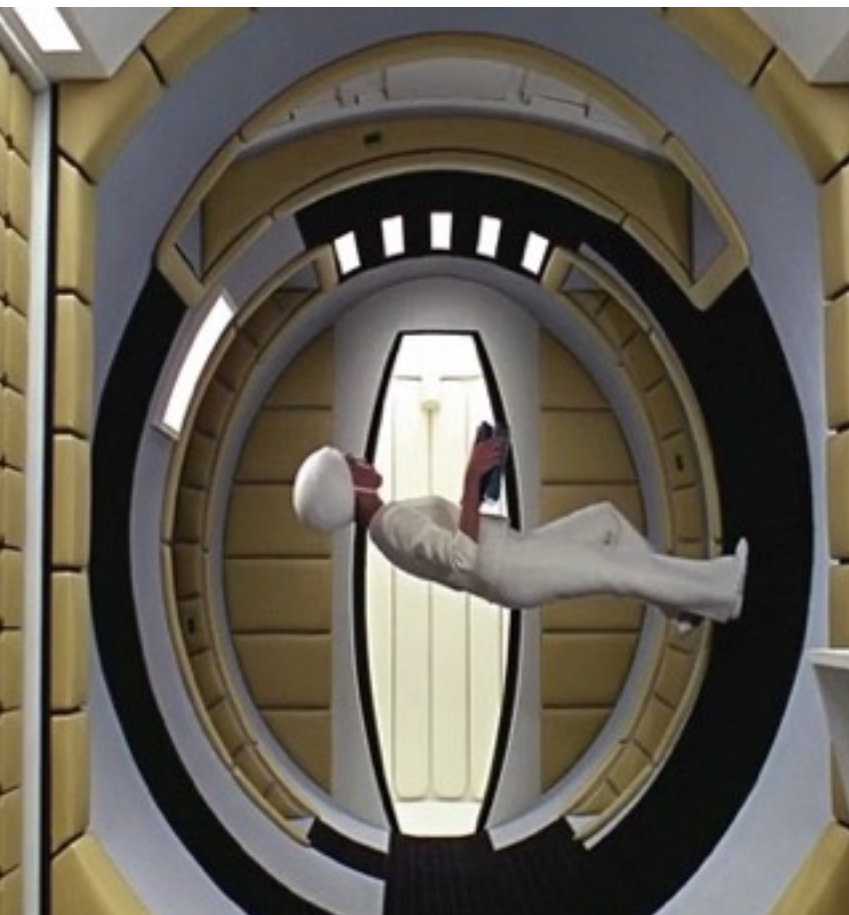

“Space: 1999”

Role Model for Lunar Habitat?

2001: A Space Odyssey

Role model for space stations?

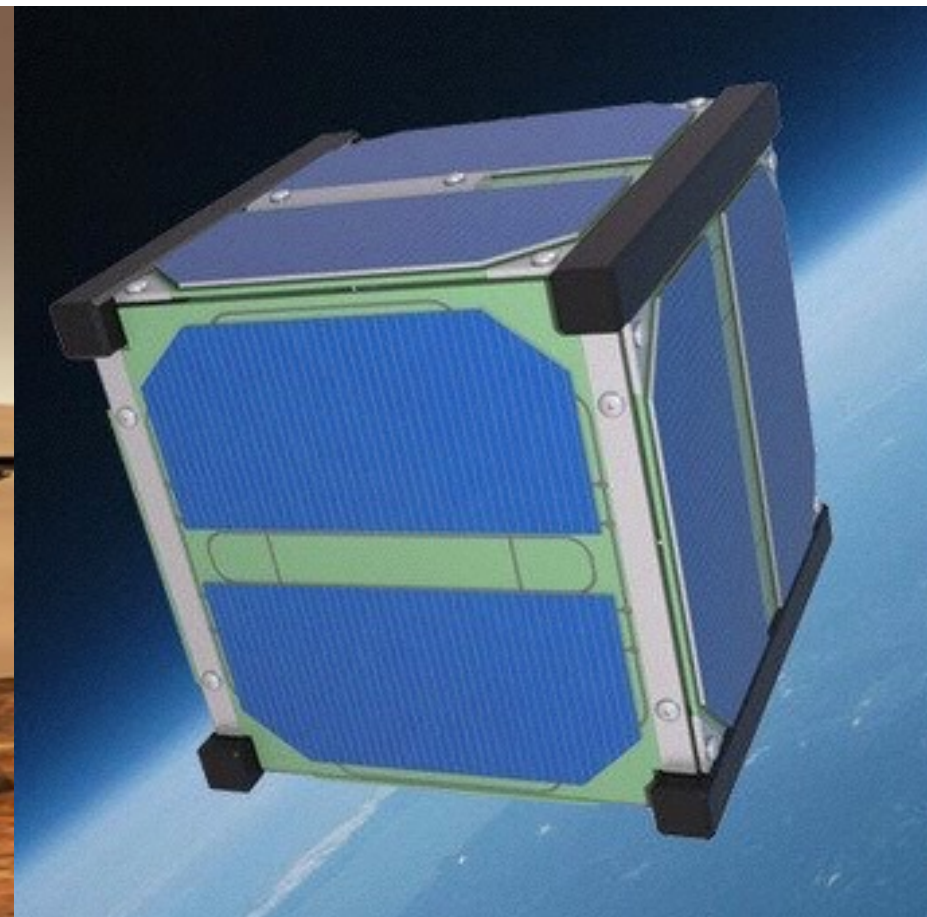

Current Commercial Space Markets

Rockets

Robots

Satellites

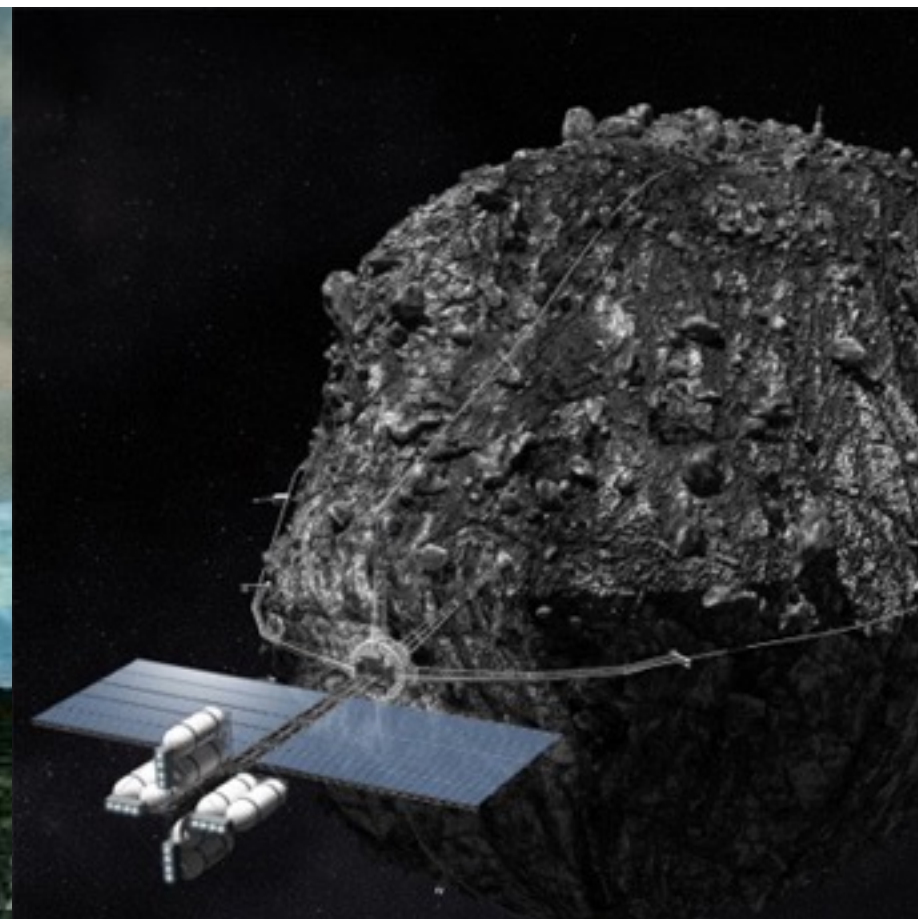

Next Generation Space Markets

Factories

Tourism

Mining/Fuel Depot

Design the Future!
